It's fine, I'll be by your side! No need to be sad!
could it be, she's started going out with that blonde?
There's something I'd like to tell you
I got a message from the missy but I'm too afraid to confirm with her directly

I already said I'm fine.
I'm here too, boss!

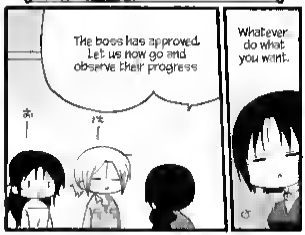
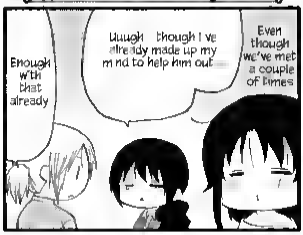
Check things out calmly



No matter what methods are required



Don't you feel anything about it?
He treats the missy well and the boss has already approved, so there's no need for me to add anything to it

No! I got to at least see with my own eyes that blonde treating the missy well before I'm satisfied!
The boss is going to get mad if you still insist on peeping.

Imagined check
Now calm down and look at reality

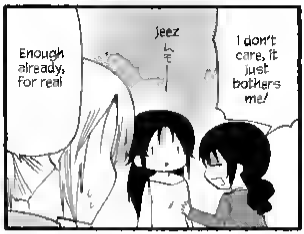
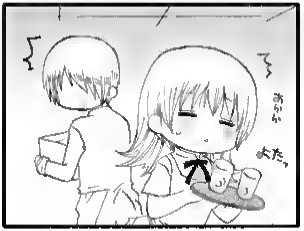
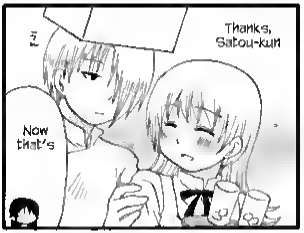
Th-then what counts as flirty?
So calm down
That's far from flirty
Aoi-chan you did the entrees by yourself, didn't you?
Nobody's around.
J-Jeez, don't be like that, we're at work.
Well
Tanashima, you sure are hyped up in your work.
Of course!
We're already going out, so this is to be expected right?
W-wait, Satou-kun..
Poor missy
You two should flirt a little!
MITSU-KI
Stop doing such shameless things!
That wasn't real

Result of the check



Flirty time is...?





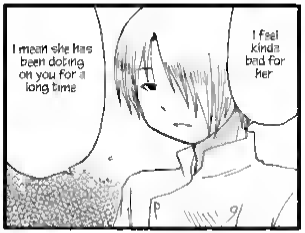
A report of happiness

As long as the missy is happy, that's all that matters
What the heck have I been doing?
Be your little sister. I'll make sure not to bring shame to you when I'm going out with him

important report

Yachiyo's report
Seems like it
I was pretty sure Yachiyo's shift ended quite a while ago.
even though I've already made ten
Oh dear, has Mitsuk-san gone home already?

And then face to face
a full day shift sure is tiring
Phew



I mean she has been doting on you for a long time
I feel kinda bad for her

Oh, Mashi ba #2
Blonde

No worries I'm sure she understands
I think I should personally go and tell her about us.
Ah,

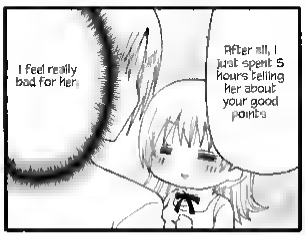
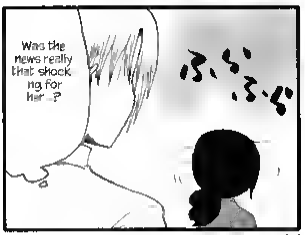
Uh
You must make the missy happy



I feel really bad for her.
After all, I just spent 5 hours telling her about your good points



Was the news really that shocking for her...?
